

2022 ROGUE ROBOTICS SPONSORSHIP CONTRIBUTION FORM

www.TEAM2987.com

Farmington High School's F.I.R.S.T. Robotics team known as "Rogue Robotics" designs, builds, and programs a 125-pound robot each year from scratch to compete in the FIRST Robotics Competition. The team also applies skills they develop while building competition robots to help young children with disabilities by modifying electric toy vehicles at no cost to their families. We develop and share all our code, 3D print files, and designs for other teams to help as many children as possible gain their mobility. Our competition robot, event registration fees, and community outreach projects are all funded by our generous sponsors. Thank you for your consideration!

WE HAVE FOUR INCENTIVE LEVELS FOR THIS SEASON. EACH TIER WILL RECEIVE ALL INCENTIVES BELOW IT.

**DIAMOND LEVEL
\$2,500+**

You show up everywhere! Website, sponsor banner, robot, and team jerseys. Your company logo gets preferred placement and size. We will even send you a jersey!

GOLD LEVEL \$1,000+

Your logo will be on the robot! Our robot will compete in competitions and visit local community events. They often appear in newspapers!

SILVER LEVEL \$500+

Your logo will be displayed in our team's sponsor banner! Banners are visible any time we compete, meet with media, or display our robot.

BRONZE LEVEL \$100+

Your name or company logo will appear on our website as a sponsor! We will also keep you up-to-date with our sponsor newsletter.
